FOREWORD

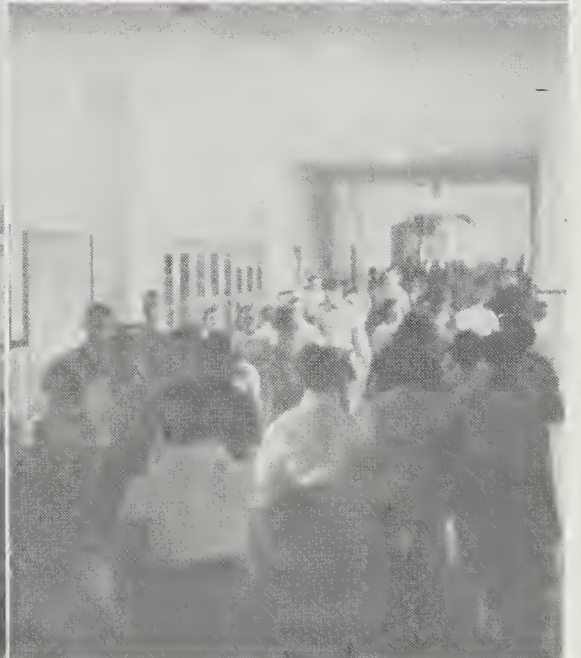

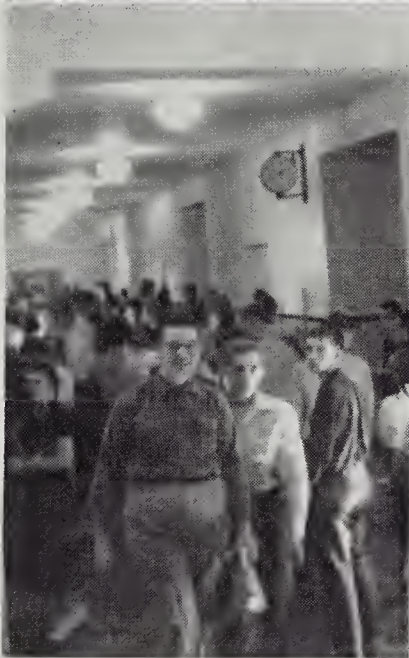

Living at B.H.S.,
Days become events;
Events become pictures;
Pictures become
"Memories-1955"

We

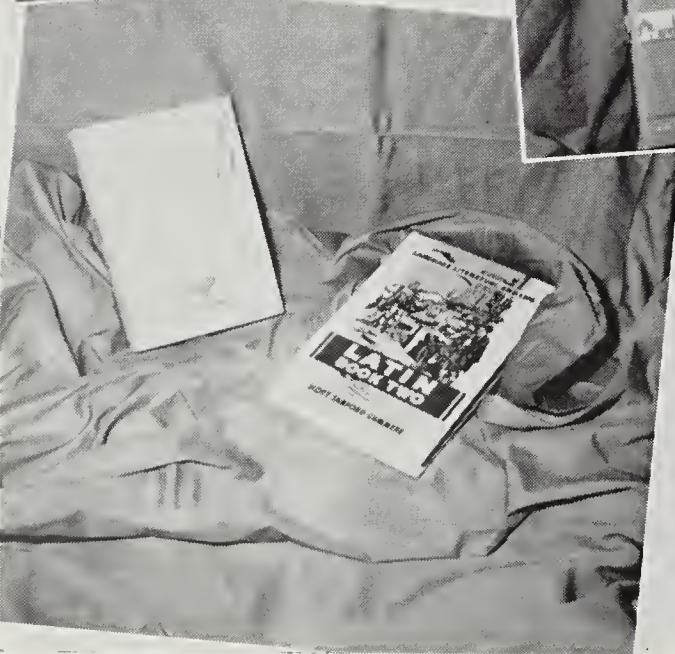

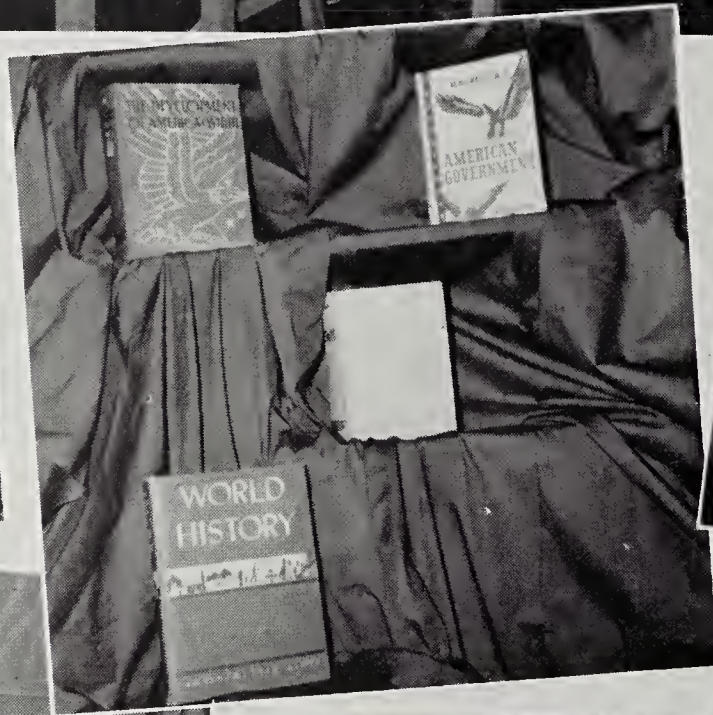

Came

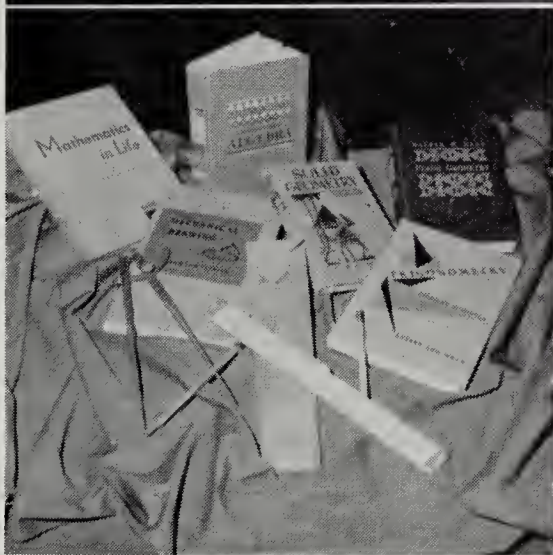

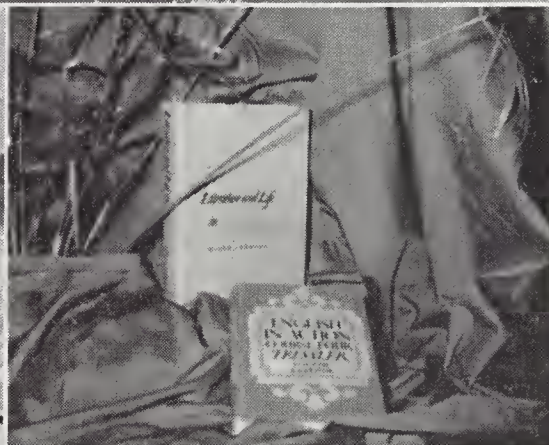

To Broadway

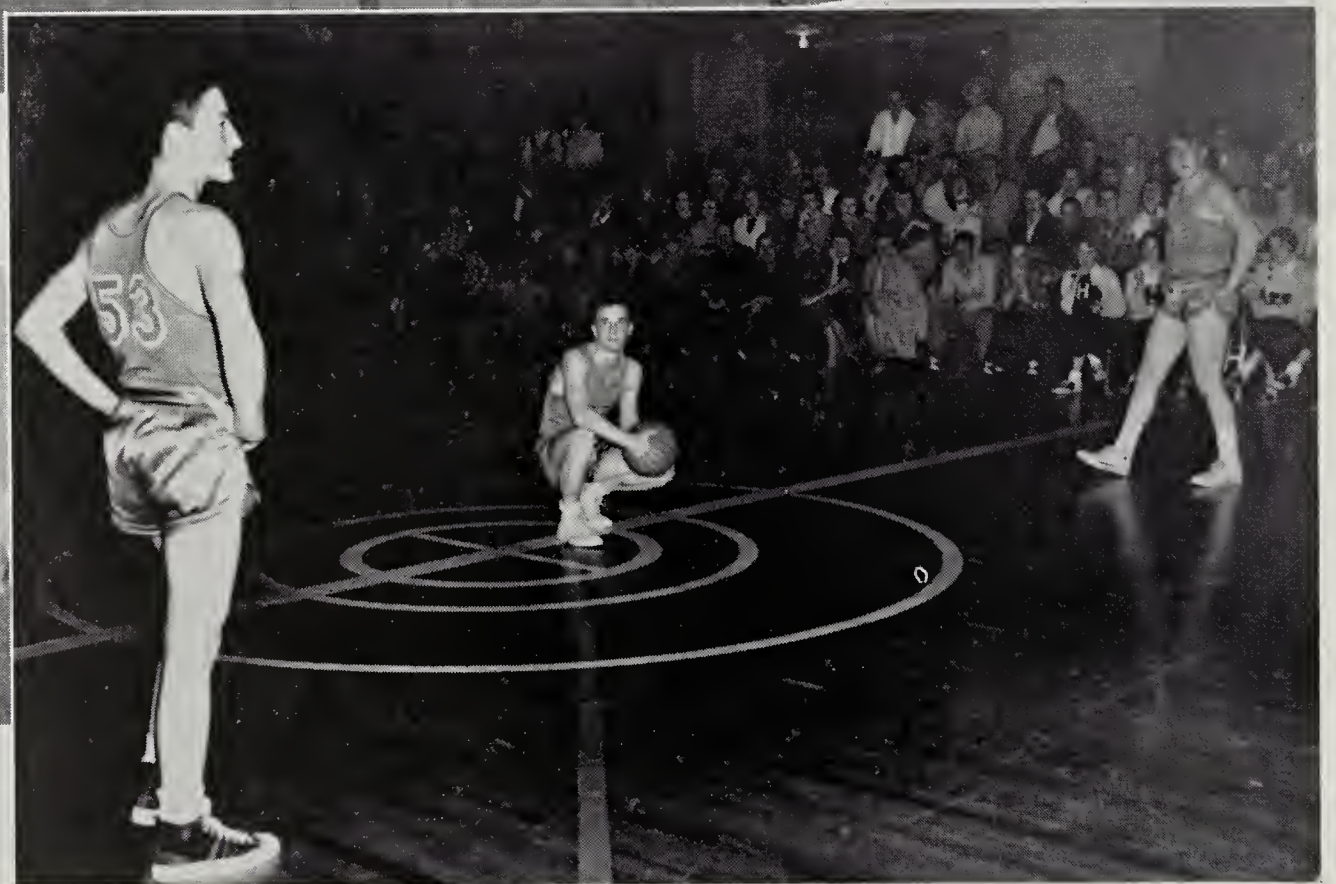

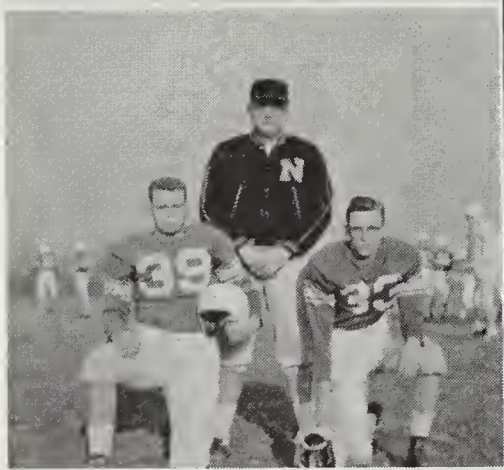

To Live.....

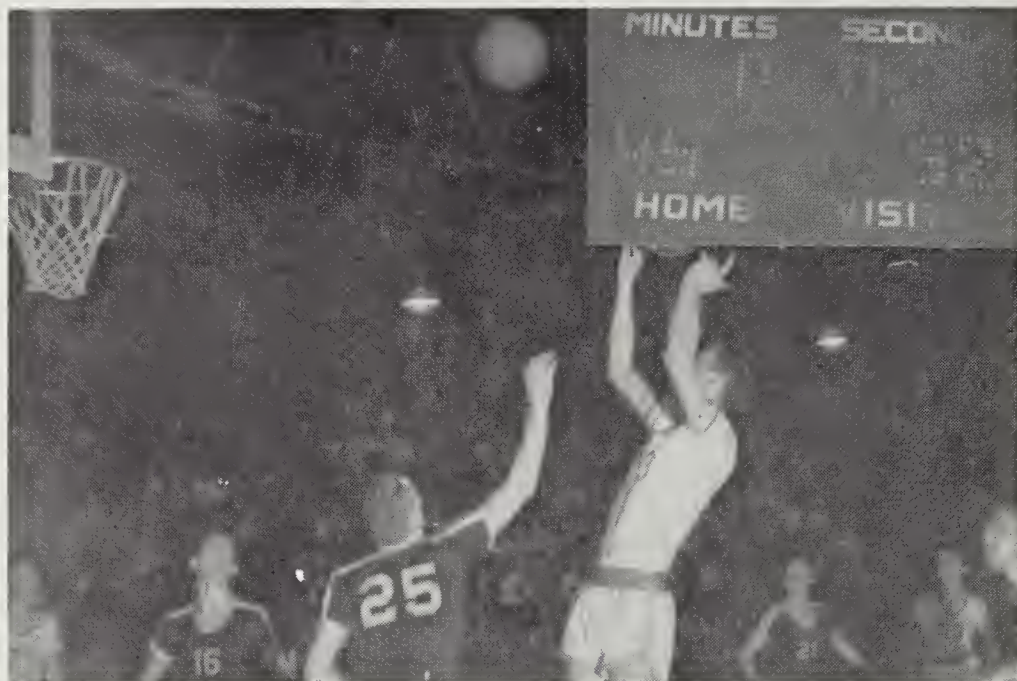

And Learn To Live

A Happy

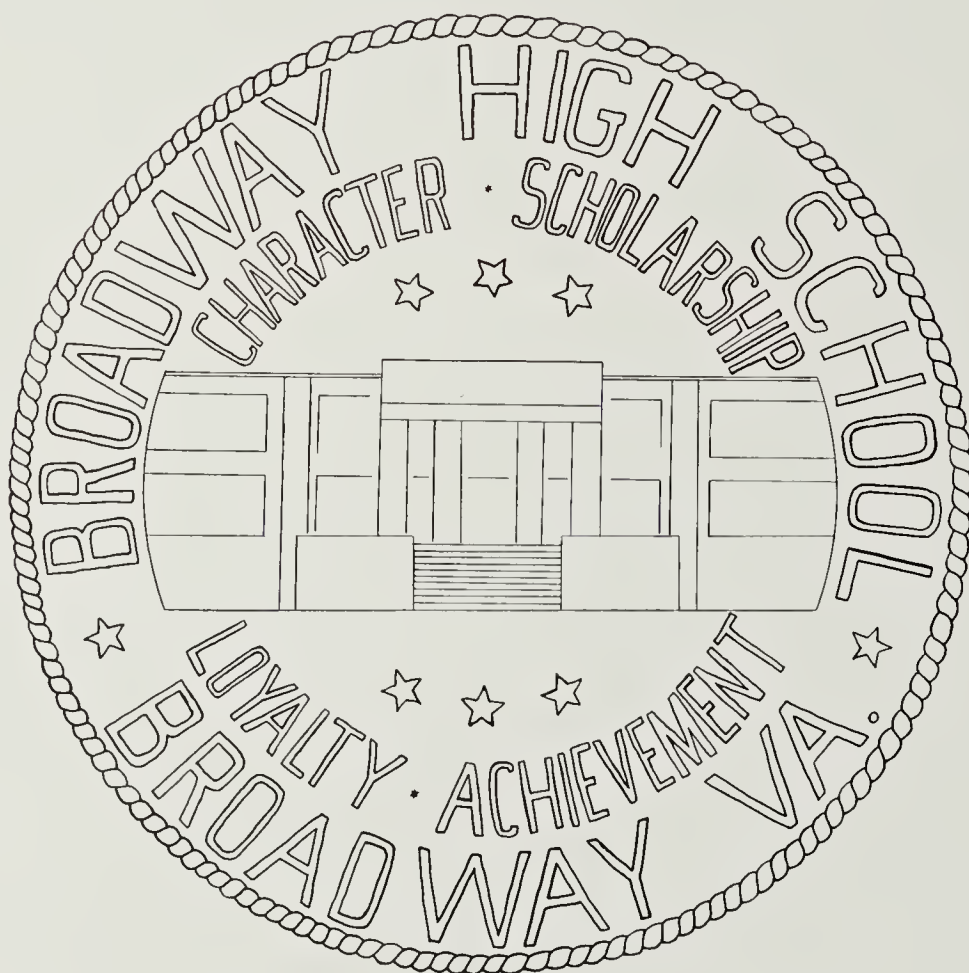

Useful Life

Broadway High School's W. T. Burruss collects 2 of his 7 points — these plus his top rebounding performance of the year aided Coach "Scotty" Hamilton's Green & White in their 52-45 upset victory over fourth seeded Handley High of Winchester in the nightcap of the first round of eliminations in the District "5" Tourney held at V. M. I.'s Fieldhouse in Lexington.

The Gobblers bowed to Montevideo in the semi-final's but moved to win the consolation championship by thrashing Clifton Forge's Mountaineers 70-51.

The Office

MR. J. FRANK HILLYARD

Secretary

MRS. BETTY HARRISON

Principal's Message

Young men and women, who, during their years in school, learn to live pleasantly and thoughtfully and helpfully with others, who learn to make people with whom they live happy instead of worried or anxious, are finding their way to a life of satisfaction.

Such individuals need not be, should not be, soft or meek or self-effacing. They may be forceful, self-assertive, provided they really live generously and harmoniously. They are the strong, the skilled, the artistic players in the great orchestra which includes us all. The world needs far more people who are skilled in the art of living.

As They Go Marching By—

The pride of Rockingham County, Virginia, threw wide her doors to open the 1954-55 school session on September 7, with a record enrollment of 731 pupils.

Joining the ranks of the B. H. S. faculty were Coach Bob (15-0) Tabor from Cumberland, Maryland; Mrs. Patsy Vaughan of New Market, Virginia; Mrs. Catherine Miller and Miss Georgeanna Driver also of New Market; and the addition of Miss Margaret Mae Martz who came to us from Covington High School brought the magic number to 32.

Gabby Gobbler enhanced Vol. III, No. 1 of the Green Quill by extending his hand of welcome to the school's new students—some 241 eighth graders.

Coaches Hamilton and Tabor saw their charges open the '54 Football Season with a 14-6 victory over Petersburg (W. Va.) High School. On successive Saturday afternoons James Wood High fell 19-6 and the Leemen of Staunton's Robert E. Lee High were humbled 14-0.

Coach Ward Long on seeing his Gobbler J. V.'s come from behind twice to whip James Wood's Little Colonels 19-18 — "They just wouldn't give up." So shall we always be.

President Garth Kagey called the first meeting of the Broadway Lettermen's Club on October 27 with the club electing to attend the U. Va. vs. West Virginia football game at Virginia's Scott Stadium—little did they know that it would rain, sleet, and snow.

Football season rolled on as the Gobblers met their first defeat at the hands of Clarke County High's Eagles at Purcellville, as the Eagles came through with a desperation tally in the closing minutes of the game. Montevideo won out in the annual Cross County Game played at Harrisonburg 12-7 despite the efforts of the student body and the Gobbler Band in the pep rally.

Len Riggleman smashed through for the last points of the '54 season as he gave the B. H. S. eleven a 6-0 lead over Harrisonburg's Blue Streaks only to see the visitors bounce back with a surpiser to knot the game at 6-all—the crowd waited in tension as their try for the e. p. was wide—just as ours had been—and so it ended.

In basketball the Gobblers rode into the V.

M. I. Fieldhouse at Lexington for the District 5 Tourney with a 10-6 record and the fifth position. Given little chance but lots of hope the Gobblers clipped Handley's Judges in a 52-45 upset. Semi-final opposition became Montevideo's Maroons who came through it all 65-44 and the Gobblers bounced back to win the Consolation championship going away—Broadway 70, Clifton Forge 54.

Twin wins over Harrisonburg High highlighted the regular season as the Streaks were humbled 35-32 on their court and bowed 52-46 at B. H. S. Coach Tabor's rampaging Junior Varsity tramped through the District heads and shoulders above their opposition and made it 15-0 by beating James Wood 48-35 in the finale.

The strains of "Mississippi Melody" under the directorship of Mr. Joe Miller pleased an enthusiastic gathering on the nights of October 23 and 24.

Co-Captains Mildred Wine and Shirley Malnar bade their farewells to B. H. S. basketball, along with the departing seniors on the squad, as they completed a successful 8-5 season.

March was music month with the B. H. S. Band, Mixed Chorus, Glee Club, Melody Anns and 5 soloists representing Broadway well—as usual.

March also found the Forensic Winners vying for honors.

Then, too, ELI was installed in March with enthusiastic response from the student body.

A successful Baseball Season sweltered through as drama took the reins of prominence with the presentation of the Talent Shows, the Junior Play and the Senior Play.

And in the end came Graduation and the solemnity of Commencement Exercises. It was a wonderful and an immensely successful year in all respects—To you Mr. Hillyard, our principal, our respect and deep appreciation for your guidance—To our Teachers and Friends, we shall never forget you—To the Seniors, Good Luck and Godspeed, we know that you could never forget one golden hour spent at B. H. S.—To those who remain to carry her Colors—Love her, Respect her, SHE'S A GRAND OLD SCHOOL WITH A BIG FUTURE.

THE PRIMARY AIMS OF THE SAFETY PATROL

To protect children from automobile accidents while they are on their way to and from school.

To help children to develop sound habits in use of streets and buses.

To foster qualities of leadership and good citizenship in patrol members.

Future Farmers of America Broadway Chapter

Hugh Landes, president; Jay Shoemaker, vice president; Jerry Landes, secretary; George Fawley, treasurer; Billy Walton, reporter; Lane Lantz, sentinel.

The ninety members enrolled in our chapter ranks us ninth in the one hundred and ninety-seven chapters in the Old Dominion. Hugh Landes, president of our local club, was also elected president of Rockingham County F. F. A. organization.

At the begining of the year we divided into eight major committees so that we could plan a worthwhile program of work. These committees were Supervised Farming, Jerry Landes, Chr.; Recreation, David Hoover, Chr.; Cooperative Activities, George Fawley, Chr.; Community Service, Billy Walton, Chr.; Leadership Activities, Lane Lantz, Chr.; Earnings and Savings, W. T. Burruss, Chr.; Conduct of Meetings, John Coffman, Chr.; Scholarship, Gary Bushong, Chr.

We met with our committees and worked up some objectives under each.

Some of the accomplishments were as follows: Distributed 500 "Keep Virginia Green" book covers to grade schools, eighteen boys entered the Farm Bureau Federation Essay contest, assisted a needy family, held a joint meeting with F. H. A., entered Federation Forestry and Shop Contests, eradicated a total of 3830 pests, provided traffic management at school functions, sponsored assembly program during National F. F. A. week, had Grand Champion F. F. A. gilt at County Fair, and initiated forty-four Greenhands into the Chapter.

We are proud of our organization and believe its philosophy would be good for one and all: "Let us be diligent in labor, just in our dealings, courteous to everyone, and above all, honest and fair in the game of life."

Future Homemakers of America Broadway Chapter

Inset—Mrs. Miller, sponsor.

OBJECTIVES FOR F. H. A. PROGRAM OF WORK

1. To eagerly and readily accept responsibilities in the home and gain satisfaction from doing them.
2. To promote better understanding among family members.
3. To practice democratic principles at home and in the community where we live.
4. To promote international goodwill.
5. To promote better understanding and interest in the values of homemaking.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
